Zadanie 1.

Wypowiedź 1.

Woman: My father is a businessman and he often travels by plane. Planes are fast and comfortable, but I am afraid of flying. I like travelling by ship the most because I feel relaxed on a ship. I really love it.

Wypowiedź 2.

Man: My mum always drives her car to work. I never go with her. I love riding my bicycle to school. I could ride a bike every day. Riding is a little dangerous in the city because there are too many cars and buses on the streets.

Wypowiedź 3.

Wypowiedź 4.

Man: At weekends my parents always ride their bikes because they like to exercise. I'm always tired when I ride a bike. That's why I don't like it. I enjoy travelling by car the most. In the future I want to be a driver. Cars are so exciting!

Zadanie 2.

Man: What's the matter, Susan? Why aren't you doing your homework?

Woman: Oh, Dad, I can't find the book I borrowed from the library.

Man: Let's look for it together. Maybe you left it in the hall when you came back from school. Or in the kitchen.

Woman: Here it is! I found it. Thanks for your help, Dad.

Zadanie 6.

Man: Susan, what's on TV after the news?

Woman: A football match. Would you like to watch it?

Man: No, I'd like to see a film.

Woman: There's a comedy on Channel four.

Woman: Good idea. I love watching films.

Zadanie 7.

Woman: My parents are teachers. They love working with children. I am different. I'm interested in flying planes. It's my dream to be a pilot, but my parents are not happy about the idea. They say it's a dangerous job. They want me to be a doctor, but I know it's not for me. I'll do everything to be a pilot in the future.
